Join us at camp for some good old fashioned summer fun. We enjoy popsicle parties, running in the sprinkler, and picnics daily. Camp runs from 8:30am-3:30pm, Monday - Friday. The cost for each week is \$500.00.

**Week 1: Herbology for Kids**

**July 8-12th**

Enjoy a week of identifying edible and medicinal plants, learning about botany, wild crafting and spending the week in nature.

**Week 2: The Summer Night Sky & Moon**

**August 5-9th**

This week we will learn all about the summer moon cycle and constellations in the summer sky while also creating art and enjoying ancient myths about the night sky. We will celebrate with a full moon party for the corn moon.

Please pack lunch, sunscreen, bathing suit, towel, water shoes, and an extra set of clothing.
